Hon. Mark McGowan MLA
Premier; Minister for Public Sector Management;
State Development, Jobs and Trade; Federal-State Relations
1 Parliament Place
WEST PERTH WA 6005

Dear Premier

Proposed Promotional News Service – The Bureau

I offer my support to Business News' proposal to create a new Western-Australian focused news service, The Bureau; which will help promote WA's innovative industries, businesses and individuals in the east coast and abroad.

Western Australia often struggles to attract the interest and investment it deserves due to its geographic isolation. Business News is to be commended for taking the initiative to build awareness of opportunities for collaboration and investment within the state.

Yours sincerely
